The image shows a smartphone screen with a budget management app. The app's interface is in Korean. At the top, it says '유연한님 안녕하세요 :D' (Hello, Yoonhan-nim :D). Below that is the title '나의 단추 계좌' (My Button Account). A large orange box displays the balance '12000' with '예금' (Deposit) above it and '단추' (Button) below it. To the right of the balance box is a vertical orange bar. Below the balance box is the section '오늘 할 일' (Today's To-Do List) with the date '환경미화원' (Sanitation Worker) next to it. The to-do list has three items, each with a checkbox: '휴지통 비우기' (Empty trash can), '음식물 쓰레기 치우기' (Clean up food waste), and '고양이 화장실 치우기' (Clean cat litter box). The first two items are checked. At the bottom of the screen is a navigation bar with three icons: a house icon, a list icon, and a person icon. The background of the app is white, and the phone's status bar at the very top shows the time as 12:00.
